

Exhibition Camera Challenge

Pretend you are a photographer and explore the exhibition.

Imagine taking close ups of the animals you can see.

Can you complete the three challenges?

Explorer Challenge

Can you spot...

an animal that makes you smile

an animal you would like to see in real life

an animal you have seen around your home, park or school

an animal that surprises you

horns or tusks

an unusual pattern

Nature Challenge

Focus on the nature in the photographs. Can you see...

a colourful animal or bird

a plant that lives near or under the water

a flower or the branch of a tree

an interesting texture

Animal Close-up

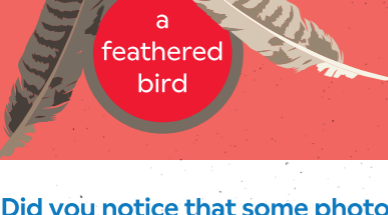

Look closely. Can you find...

a furry mammal

a scaly reptile

a feathered bird

Did you notice that some photos in the exhibition were taken by children?

Check out the beautiful shots in the Young Photographers area.

Maybe one day it could be your photo!
