## LEGO® Minifigures challenge

Can you find the **12 LEGO®** minifigures hiding in our displays around the site?

They've all got a flight or a museum connection (a fairy, a pilot, Superman, a Pharaoh and more!), or a link to where you'll find them.

Maybe they're learning to fly a plane, or they've got trapped in a display case. Or perhaps they were lucky enough to get a ticket for a supersonic adventure!

Explore the site to track them down and write down who's hiding where. Ask a member of staff if you need a hint...
