

List of original drawings in the Glenriddell Manuscripts

Small illustrations in the text by Robert Riddell are not listed here. Apart from these original drawings there are a large number of engravings and etchings of buildings in Scotland, mostly after Grose, Cardonnel and Robertson. One or two more important engravings are included in the list below.

Note: For the artistic abilities of Robert Riddell, of. p.114 of J.M. Wood's "Robert Burns and the Riddell Family" (Dumfries, 1922):-

"Riddell himself was no mean draughtsman, gaining many hints from Joseph Farrington, R.A. whom he accompanied on several painting expeditions. In addition there are many coloured drawings by Francis Grose and Alexander Reid".
