

Wildlife Safari Trail

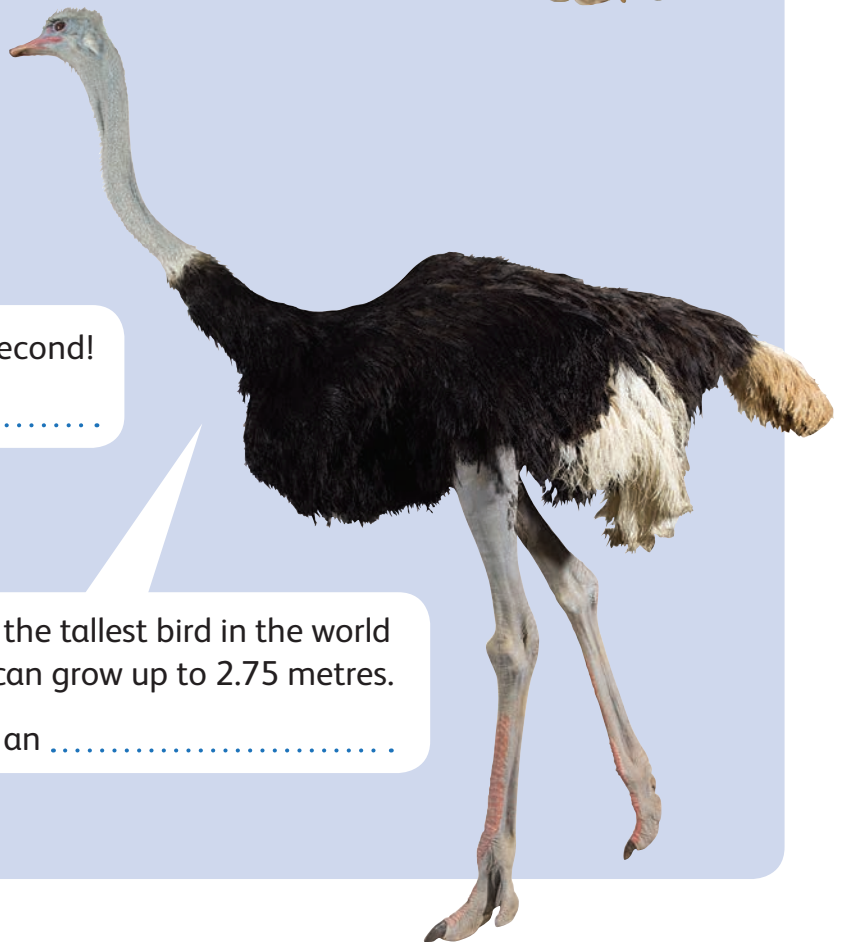

Imagine the Museum is your garden...what wildlife can you find in it?
Explore the Natural World galleries to identify the birds and animals below using the pictures and clues. Some you can find in your garden or local park but others might be a little trickier to spot!

Level 1 – Animal World

? I use my bill and a stone to help me crack open my favourite food – snails!
I am a

? I beat my wings 200 times a second!
I am a

? I am the tallest bird in the world and can grow up to 2.75 metres.
I am an

Level 3 – Animal Senses

? I pretend to look like a tree stump during the day so predators don't eat me!

I am a

? I have what look like eyes on my wings to help me scare predators away.

I am a

Level 5 – Survival

? I was a giant kind of pigeon but you won't see me any more I'm afraid...

I am a

Level 5 – Adventure Planet

? I love woodland areas as well as gardens where I have plenty of cover to be able to hunt my food.

I am a

? Have a closer look at our Adventure Planet tree. Can you spot any other garden birds? Here are some to start you off. Circle when you find them and write any others below.

Robin Chaffinch Blackbird Greenfinch

.....

Well done – you've finished!

Now why not see what wildlife you can spot near your own home?
